Fire
www.ecosmartfire.com

Make Base your centre for relaxation and entertainment. This multi-function table gives you the best of both worlds – a coffee table and fire pit combined. Made with Fluid™ Concrete Technology and accented with decorative media, this contemporary classic firepit fits in seamlessly with a variety of outdoor decors. Fitted with EcoSmart's AB8 burner, Base is fuelled by clean burning e-NRG bioethanol and will provide over eight hours of warmth, ambience, along with a mesmerising flame.

Key Features

Smooth, Sleek Finish

Handcrafted to ensure a smooth and consistent finish, this sizeable firepit is designed to complement a variety of decors.

Stand the Test of Time

Fluid™ Concrete Technology construction results in a sophisticated, lightweight and durable outdoor fireplace.

Eco-friendly Firepit

EcoSmart's Base firepit is fuelled by liquid bioethanol, an environmentally friendly, readily available, renewable fuel source.

Natural Materials

Includes durable Fluid™ Concrete surround, EcoSmart's 304-grade stainless steel burners, and pebbles as decorative media.
